ACKNOWLEDGEMENT

Apart from my effort, the success of this internship largely depends on the encouragement and guidance of many others. I take this opportunity to express my gratitude to the people who have helped me in the successful completion of this internship.

I would like to thank respected **Vedala Rama Sastry**, Head of the Institute, and **Shaik Mahaboob Basha**, Head of Computer Science and Engineering, for giving me such a wonderful opportunity to expand my knowledge in my branch and for providing guidelines to present an internship report. It helped me a lot to realize the importance of what we study.

I would like to thank respected **Dr.G.Somashekar**, guide, and professor, who helped me to make this internship a successful accomplishment.

I would also like to thank my friends who helped me to make my work more organized and well-structured till the end.

Sincerely,

Ruparaju Sri Sai Deepika,

ABSTRACT

This report is the reflection and also the journey of my **two-months internship** period along with the highlights of what I learned through errors, work responsibilities, and the importance of the internship program at IITTNiF. The knowledge I have gained as an intern in **3D Model And Extraction Making Internship** is splendid. As an intern, my work was to learn about designing webpages and focus on finishing the tasks that have been assigned to me. In this report, I have focused on my work territory and explained my achievements which I have achieved through my internship at **IITTNiF.**
